▼ Exemplify

The screenshot displays the Exemplify application window. At the top, the title bar reads 'Exemplify 2017 SPRING EXAM A - 2-DE WILSON - ADAM MCWILLIAMS'. The main window has a blue header with the text 'Getting Started with Exemplify'. Below this, a question is displayed: 'Question #1 of 3: The client exhibits confusion, decreased capillary refilling statement would the nurse choose for this client?'. The question is followed by four multiple-choice options: A. Ineffective Tissue Perfusion, B. Decreased Cardiac Output, C. Risk for Injury, and D. Activity Intolerance. To the right of the question, there is a section for 'Question #1 attachment' which includes a video player showing a close-up of a puppy's face in a basket. The video player has a play button and a progress bar. Below the video player, there are four buttons with 'X' icons, likely for removing attachments. The interface also shows a 'Watch later' button and a 'Share' button. At the bottom, there is a 'Next' button and a page indicator '1 / 3'.
