### NOTES ABOUT TAKE HOMES:

1. You can download the exam questions at any time after the exam period begins.
2. Once you download an exam, you must complete it and upload it within the stated number of hours OR by the end of the exam period at 10PM on 12/21/22 -- **whichever comes first**. If you choose to download a 24-hour exam at 11PM on 12/20/22, you must upload your answers by 10PM on 12/21/22 (even though you only gave yourself 23 hours to take the exam.) Please be sure you are downloading the exam in time so that you do not forfeit part of the time you have to complete the exam. Any exam uploaded after 10PM on December 21, 2022 will be deemed late and your grade will be reduced.
